Here is MUN's Logo:

Columns

Here are three MUN logos which are all resized to fit inside their respective columms. This uses the `columns` environment of Beamer:

Text for column number 1. This has a large logo.

Text for column number 2. This has a medium size logo.

Text for column number 3. This has the smallest logo.

Make sure that the column widths do not total more that one full `\textwidth`.
