COMP 690A/B — RESEARCH METHODS IN COMPUTER SCIENCE

Fall 2018/Winter 2019

Department of Computer Science
Memorial University of Newfoundland

Instructor:
Name: Minglun Gong
Phone: 864-3589
E-mail: gong@cs.mun.ca
Office: EN-2021A

Lectures:
Time slot: Thursday 10:30~11:45am (may use Tuesday slot for makeup lectures)
Room: EN-1052
Website: http://www.cs.mun.ca/~gong/Courses/comp690AB/

Course Description:
This course introduces basic skills required for conducting research in Computer Science, such as data analysis tools, peer review guidelines, technical writing and presentation. It also offers training on creative thinking and problem-solving skills. To learn the skills hands on, each student is required to work on an individual course project throughout the course, starting from surveying the literature to proposing a topic to finishing a report and presenting it to the department.

Prerequisite: N/A

Evaluation (Tentative):
Assignments: 40%
Presentations: 30%
Project Report: 30%

Course Topics:
Introduction
Literature Search (presentation)
Typesetting Documents (assignment)
Peer Review (assignment)
Project Proposal (presentation)
Collaborative Writing (assignment)
Data Analysis (assignment)
Final Project (presentation)
Resources:

The lectures provided in this course, including any visual or audio recording thereof, are subject to copyright owned by the instructor and, in some cases, the authors of the supplemental materials used in the course. It is prohibited to record or copy by any means, in any format, openly or surreptitiously, in whole or in part, in the absence of express written permission from the instructor any of the lectures or materials provided or published in any form during or from the course.

The Desire2Learn website (https://online.mun.ca/) is used for posting all assignments and you are required to check regularly regarding to assignment announcements and due dates. All assignments are due prior to the midnight of the specified dates. Late submissions will not be accepted. Finished assignment must be submitted online via Desire2Learn. Physical submissions are not required.
