MUN Computer Science Society

Meeting Minutes

April 4th, 2019

Attendance

- Courtney St. George (President)
- Riley Flynn (Vice President)
- Stephen Tollenaar (Representative-at-Large)
- Jack Harrhy (Technology Officer)
- Andrew Stacey (Representative-at-Large)
- Tahsin Ahmed Sakib (Treasurer)
- Ricky Hineman (Academic Officer)
- Martin Whelan (Academic Officer)

Agenda Topics

Servers

Uses

- WebDiplomacy
    - *No*
- Minecraft
    - Maybe?
- Other assorted game servers
- Discord bot
- Website
    - Could happen if we get ITS to make an exception
    - Internal website?

Access

- Accounts per-exec
- Sudo access only granted to trustworthy executives
- Accounts expire at the end of the year

Repairs

CMOS batteries are dead in at least 2/3

- Servers need to be taken out of the room
- Work on them in the lab
- Riley & Jack will do it in the week between finals and going to work
- Just need a couple of coin batteries

Network access seemingly not working for at least 1/3

- Make sure we can connect when we put them back in there
- Might need to do something through webtools

Upgrades

- Could use some additional ram
- Maybe a new CPU?
- ~mtr said we could have some spare supplies to upgrade it
- May need to get more storage

CS Lab LAN

- Taylor won't be here, so can't coordinate it
- Should do it week after finals
- Do it on the 25th instead of code night
- Actually advertise this time

Games

- Open ended?
- Run servers on our servers
- Minecraft
- Source Engine games
- Quake / Quake derivatives
- Self-hosted agar.io
  - Jack *why*

Organizers

- Jack
- Stacey
- Riley
- Kyle
- Stephen

Move to Discord

- Courtney is in favor
- More people use discord than slack
- Plans to go to discord have existed longer than plans to use slack
- Slack stats are awful

Authentication system

- Google OAuth
- Lock down server for user until verified

Discord bot

- Automatically manage channel access for courses, levels, etc.
- Create private channels

Getting new people into exec

- What happens if we all keep the same position as we move up until we graduate
- Need more first & second years
- Create first year reps as a standalone position

Additional methods of reaching out

- Discord, obviously
- Create and distribute new business cards
- Go around to classes
- Basically we need to use more than just Facebook

Organization

Tasks

- Currently distribution of tasks is abysmal
- Create trello board, use it to assign and keep track of tasks

Records

- Society's records are not in good shape
- Create better documents on changing ownership, what the society has, etc.
- Tahsin has been taking records, needs to transfer them to the account
- Google Drive needs to be cleaned out

Other Topics

No other topics were brought up.
