Other Topics

Mixers

Every 2 weeks we get society room.

Friday Feb 8 Mixer

- Everything is bought, Marty is going to set everything up day of.
- All Ages Boardgame night.

Awards

- Dean Of Sci. (15th Feb)
- President Award (?)
- Outstanding Prof (?)
- President Graduate (we don't do anything its all graduate voted)

- MMM won the student vote held.
- Each award has a ridiculously specific set of qualifications, not worth writing them out here. Ask Riley for detailed email.

Events

- Diplomacy started.
- BBQ sometime when it's warmer/no snow.
- Taylor takes over Bus Crawl preparations from Mallory(Math events coord.)

Code Night

- Polling students for dates.
- Undecided if weekly/biweekly.
- Need to book lab out with office.
- Goals:
    - Get people out working together.

Hackathon

- Local Companies voiced support for us.

Local Companies Equipment

- They give away professional level dev equipment to elementary schools... MUN gives us dollar store keyboards.
- Marty will reach out to see if we can secure donations to refurbish the CS Student Labs.
- Plans (so far):
    - Get new peripherals.
    - Get new desks.
    - Move the unused smart board from the help center to the lab.
    - Get new locks for the doors to prevent theft and prevent engineers from going in there.
- Once Marty reaches out to his connections, Courtney and Kyle will go the main office with the proposal (no way they say no to free things)
- Can use it for events in the future, in moderate disarray currently.
