Agenda Topics

Code Night

Attendance

- Attendance was not great last week
- Need to get more posters up
- Need to continuously post
- Jacob still needs credentials to post

Future scheduling

- Do another week or two, then see if people want to change the time schedule

Ideas

- Seemed to have been ran well last week, leave it the way it is

Next event

- 5-8 on Friday
- Taylor needs to submit paperwork by monday for mixer on Friday.
- We need servers
  - Taylor will have his server card by then

- Jacob needs to make a poster over the weekend

CS lab upgrades

Will be discussed by Marty next time he arrives

Steve wants everybody to be told he misses them

- Courtney misses Steve
  - Wants to know if he'll be coming back
  - Wants him to quit work and come back here

GameDev NL events

- GameDev executive changed, are now more on top of things
- Courtney wants another event before the end of the semester
- Wants to be related to the game stream
- Perhaps come up with a project idea for everyone to work on

Other Topics

Election

- Courtney is possibly doing CIIO, and as a result may not be here
- Riley is working as well, but will still be a part-time student and so can still serve as exec
- Member could get promoted to Courtney's position and then we could shuffle spots to fill remaining roles
- Stephen may be graduated
