Agenda Topics

Second Mixer

- Planned for Friday, November 22nd
- Taylor needs to contact ancillary about having the event hosted

LAN Gaming Night

- The society's servers are back up
- Still need to finalize games for the event
 - Jack is finalizing the Xonotic server setup
- Event is now occurring Friday, November 15th
 - Need to get material out for tomorrow

Collaboration Workshop

- Pre-workshop quiz is done
- Poster still needs to be done
- Going ahead on November 26th
- Need to communicate to the department about the event
- Marty, Jack, and Andrew will meet Thursday to plan
- More details posted on the Trello
- Will lead to insights on future workshops

Code Night

- Normal code night occurring as usual at 5:30 tomorrow
- Possibly for future, run mock interviews for people to prepare for jobs

Other Topics

Trello

- Marty has new “todo” links in the Trello

Weekly Kattis Problem

- Each week, we post a weekly problem from Kattis for people to work on
- Possibly create a new channel for posting them?
- Have a ladder for standings week to week

“Semester in Review” Meeting

- Will be occurring sometime before-after exams

Getting Profs into the Discord

- Look to invite profs to the Discord to connect with students

Interests from Outside Executive

- Setting up a polls channel to get reception from our events to see what people like most
