Agenda Topics

Mixer

- Mixer this Friday, November 22nd
- Poster is done, and announcements have been made
- Need to get sodas/snacks, Marty will look into it
- For future mixers, more members will be getting server cards, details on Trello

LAN Night

- Last LAN was a success, will have another come Friday, November 29th
- Will be Xonotic again, among other games

Collaboration Workshop

- Jack, Marty and Andrew Stacey are organizing this, details to follow on the Trello

Code Night

- Occurring as usual tomorrow at 6PM

Weekly Kattis Question

- Kent will look into organizing this
- Could possibly make our own question instead of going through Kattis?

Other Topics

In-Person Future Meeting

- Tentatively scheduled for January 2nd
- Will be discussing plans for the society for the coming semester
