MUN Computer Science Society

Meeting Minutes

October 16th, 2019

Attendance

- Marty Whelan (President)
- Riley Flynn (Vice President)
- Andrew Stacey (Executive Assistant)
- Taylor Hadfield (Events Coordinator)
- Kent Barter (Technology Officer)
- Jack Harrhy (Representative)
- Ethan Crann (Representative)

Agenda Topics

Kattis Contest for Code Night

- Kent has been looking into using Kattis
- Jack was talking to a society alumni, they put standings at front of room and had pizza for incentive to come
- Could do similar to Dave Churchills' code competitions, with teams of 1 or 2
- Need a question list done up, as well as posters, which will be done by Jack and Katie
- Could make a leaderboard on the Discord
- Possibly stickers/t-shirts as prizes
- Maybe even a multi-day online contest in future as well
- Tentatively scheduled for October 29th

Mixer

- Society is still not ratified, so that has to be completed, form is sent
- To be bumped back to November 6th
- As of this meeting, we have the following people with certification to serve alcohol:
    - Marty Whelan

– Taylor Hadfield

Other Topics

LAN Gaming Night

- Tentatively planned for mid November
- Plan to use the lab computers for this

Website

- The issue with GitHub Actions has been resolved
