Agenda Topics

Kattis Competition

- Event occurring tomorrow, October 29th
- Plan to finalize questions tomorrow
- Need to remind people to make accounts
- Marty will acquire pizza sometime during the event

Mixer

- Still slated to occur on November 6th
- Poster still needs to be done up
- Need to look through the Google Drive to keep track of liquor stock
- Taylor and Marty to finish form and check stocks of liquor
 - Liquor needs to be picked up by the Friday past the request
- Ethan has finished the server course, but needs to get his card

LAN Gaming Night

- Still in the works, no new developments as of now

Other Topics

Future Events

- Possibly hosting a game jam during a future code night
 - Could be done through the month of November, may be later though
- Also, could have ongoing projects for people to work on
- Weekly game/board game night?
 - Have a competitive bracket and standings
