# MUN Computer Science Society

Meeting Minutes

September 30th, 2019

## Attendance

- Marty Whelan (President)
- Riley Flynn (Vice President)
- Jack Harrhy (Representative)
- Kent Barter (Technology Officer)
- Andrew Stacey (Executive Assistant)
- Taylor Hadfield (Event Organizer)
- Ricky Hineman (Academic Officer)
- Ethan Crann (Representative)
- Katie Hardy (Social Representative)

## Agenda Topics

### Organizing Members

- Discussing new members, and getting people settled into participating in the society
- Planning to use Trello and Google Calendar for organizing events/meetings/priorities
- Google Drive has to be organized, but will be a main hub for all society materials

### Board Game Night

- Scheduled for Wednesday, October 9th
- Jack and Katie working to do a poster for the event
- Marty and Andrew to assess tech in the location for games (Switch, etc.)
- Execs encouraged to bring any board games they may have
- Plans for pizza/prizes

### Code Night

- Planning to settle for every Tuesday, and will be scheduled to begin regularly after midterm break

- Could do active society projects (such as Automata on the Discord)
- Kattis based code night is a possibility

### Advertising to Classes

- Ricky can make a quick mention to 1001 classes about the society
- Need to organize further people for advertising, will organize on a case-by-base basis for good coverage

### Discord

- Make the Discord more interactive, by:
    - Adding per-course channels
    - More bot functionality (moderation, etc.)

### First Mixer

- Wednesday works best as an event night, so most likely a Wednesday
- Tentatively set as the 23rd of October
- Need people to get bartending for the event

## Other Topics

### Stickers

- Marty has stickers ordered, planning to have for board game night on Oct. 9th

### Joint Bus Crawl with Math

- Ricky working out details with Math Society, details to follow
- Most likely happening during Winter semester
