

MUN Computer Science Society

Meeting Minutes

February 24th, 2020

Attendance

- Andrew Stacey
- Ethan Crann
- Kent Barter
- Mallory Nolan
- Dylan Brine
- Lucas Hillier
- Jack Harrhy
- Marty Whelan

Missing:

- Taylor Hadfield
- Katie Hardy
- Ricky Hineman
- Andrew Snelgrove

Agenda Topics

Mixer

- Dylan and Mallory will be available to bartend for the mixer, assuming it will occur next Friday, March 6th
- Need to finalize paperwork sometime this week, then Jack/Katie can organize posters/socials

Challenge Set

- Has been rolling well, Kent/Jack tasked to get this weeks challenges up

Xonotic Lan

- Will be rescheduled for this Friday, the 28th
- Will collect money for pizza orders this time

- Need a poster done up

Clothing Order

- Marty is nearly done, just need to get quotes for the prices and the digital markups
- Could get generic American Apparel sizing charts

Square

- Need to get setup for the mixer (amounts, etc), also for Mallory and Dylan to get set up
- We can test run this during the Xonotic Lan for pizza if needed
- Not a bad idea to get others set up with it as well for stickers, clothing, etc.

Git Talk

- The talk went well before the break, so we should do something else in future
- Jack is trying to organize a Discord bot workshop, will look for more help once he starts finalizing the details

Other Topics

No other topics for this week.
