Role tasks / items of interest

Pres.

- Marty and Dylan sort out BMO, currently a bit of a pain to do actions with the bank, needing two people signed onto the account to show up to do anything
- Marty forward things to Academic Reps. regarding being the new kids on the block of the new meetings
- Marty reach out to geo regarding when they have their mixers so ours don't interfere

Tech. reps.

- Doing more on Discord this semester, with adding things to the Discord people want in it
- Codin' challenge in the Discord

Academic reps.

- Get in touch w/Sharene; *course talk*
- Heading to more of the academic meetings
- Rickys tutorials

Events

- Biweekly: Board game nights / Xonotic LAN / Trivia / etc.
- First event January 17th, board game night in seminar room, 5:30pm -> 8:30pm
- First mixer January 24th
- Charity stream event, speed-running games in the seminar room for ~12 hrs
- Discord Bot Workshop

Mixers

- Likely going to have mixer-per-month of the semester
- Exec members should get cards sorted out

Clothing

- Marty wants to go with someone local to get the shirts

- Katie taking the charge with sorting this out, with help from others ofc.
- Do some non-MUN cs designs, potentially NL-like, to get some money for the society
- Minimal t-shirts

Discord

- Send out emails to profs regarding the Discord, good profs: Mark Hatcher
- More discord emotes
- Prof. role

Posters

- Katie modify old board game night poster
- Generic society poster, with discord link, website, GitHub, Facebook, stickers
