MUN Computer Science Society

Meeting Minutes

November 2nd, 2020

Attendance

- Madison Emshey
- Mathew Emshey
- Mathew Churchill
- Zach Batten
- Lo Yee Teing
- Jack Harrhy
- Ethan Crann
- Rishi Gandhi

Regrets

- Dylan Brine "Power Outage"

Agenda Topics

Update from last week

- Zac Batten is back and anything Event related can now be directed back to him instead of Madison

- Matthew C does not have an update on the React Workshop, but is considering a slide show

- Mathew E's Discord Bot Workshop is in the works

    - Plans on providing external resources so it's not all one long demo
    - Plants to put it on github

- Madison's clothing order is started, some ornaments sold, and some numbers for clothing orders are in

- Ethan will take over Xenotic

- Rishi will take over Among Us and work on a new time and day

Trivia Night

- Turn Trivia Night into "Trivia Day", no official teams.
- Run trivia at noon until 200 questions pass. If time permits run it multiple times.
- Zac to make a poster for Thursday.
- Elliott will post it across our social media linking back to the Discord.
- Rolls will be put in place, by a bot, to automatically add people to the trivia channel to participate.

New Business

- Networking Event

Networking Event

- Options for streaming the event
  - Multiple discord channels
  - Websites like zoom for video calls and break out meetings
  - In person at MUN Engineering?
- Look into community resources
  - Who is available to speak?
  - Who has a job in industry that we can contact to ask to speak?
- What to speak about?
  - What MUNCSS does
  - How to get into what industry
  - How to improve your github
- Other Important Details
  - Thursday, November 23rd, 6pm
  - 30 minute into from MUNCSS
  - 1 hour breakouts, possibly on 15 minute rotations
  - follow up email
- Tasks:
  - Jack will create a google docs to edit and update
  - Ethan will ensure the project moves forward
  - Lola will run the project
