Agenda Topics

Items from Last Week

- Trivia
 - Trivia seemed to be a success once again.
 - Thursday seems to be a good day for it. We will make it a regular event for Thursday at noon.
- Clothing order: shirts/sweaters will be ordered by the end of the week. This will be white logo with text. (this is for a local order)

This Week

Networking Event

- 31 people registered for networking event
- We currently have two speakers (three with Dave)
- looking to get two more speakers
- Dylan, Zac Batten, Vilakshan, Abjheet, Lola will volunteer for the event.

- Dylan reached out to Riley and Tim to see if they're interested in speaking.
 - Riley said he may be able to make it, so pencil him in as a maybe, but don't depend on it.
- Dave Churchill will be a speaker.

Hackathon

- Application to MLH got put in.
- Currently refining plans, making sponsorship packet, sponsors, logo, prizes, etc. . .
- We want to appoint an exec as the society representative for the Hackathon event.
 - Vilakshan has volunteered as this representative.
 - This representative will be responsible for updating the society on the progress of the Hackathon planning event on a weekly basis.

Xanotic

- Ethan has a couple complications with getting the server running. Needs a couple questions answered.
- Goal is to have server running by Next Thursday (Dec 3rd, 2020)
