Agenda Topics

Update from last week

- Zac has done a poll for among us date and time. Will pick one later this evening and get back to us. Getting a ping for among us
- Mathew wants to get a Git/GitHub workshop and a Discord Bot workshop. Zac mentioned Jack had a Git/GitHub presentation and might still have the slides.
- Matthew C react workshop, mainly a slide show through a service like zoom. Make a how to start video too. Doing it a couple of times a semester.
- Lo Yee (Lola) would like to see more networking, potentially an in person meet up.
    - Look into covid regulations for outside meetings for an inperson meet up.
    - Streaming the event on the Facebook Page.
    - Zac suggests a fire but we'd nee a location.
    - CTSNL, what are they at lately?
- Coding competition, Lead by Lo Yee(Lola) and Zac
    - during the winter break
    - figure out challanges
        * Discord bot challange
    - getting people to volunteer for teams and ranking them for equal teams
    - figure out a prize

    – discord bot for point system/scoreboard

Jack

- A Society Gift

New business

- Trivia Night? (Mathew E)
    - discord bot with opt in teams?
    - regular event
    - Use Kahoot or JackBox to do trivia?
    - prizes?
