Agenda Topics

Misc.

- Winter event is big rip due to *covid*.
- Gaming events aren't likely going to go ahead due to lack of interest.
- Minecraft building ends on Wednesday, server will close and the survival server shall return afterwards.

Server moderation

- Discussed problematic things in the discord, and ways to help moderate them more.

Actionable items

- Modify `#welcome` to include some things from Zach's Moderation Proposal, being more specific about what type of content we don't permit, and different sections of said content.
- Having some section of the server dedicated to how to ask questions regarding assignments in constructive way.
- Create a exec. channel to drop screenshots of 'infractions' in, so we can keep track of users that keep posting content we don't allow, permitting us to act on it if it continues.

Networking Event

- Event is occurring 12pm, Saturday, Feb. 27th.
- Dean and Dave are good, Jack will reach out to his contacts.
- Lola will do up the promotional material for the event.
