Upcoming Elections Fall 2021

Changes to positions and open roles

- Having two people for roles that take a lot of work (for example Social Representative) to reduce the amount of work on the position.
- Treasurer position still open, important position to fill up before society events start. Need to live in St. John's for signing authority purposes.
- Technology Officer, also an important open position. Needed so that all the technological workings of the society do not stay with one person.
- CSUGC role filled and announced during meeting.
- Add more open positions for Rep-at-Large and First Year Representatives.
- Madison, Jack and David will finalize the election process and the forms needed to apply.
