

# MUN Computer Science Society

## Meeting Minutes

January 20th, 2022

### Attendance

- Jack Harrhy - President
- Madison Emshey - Vice President
- David Chicas - Executive Assistant
- Zac Batten - Rep at Large
- Zach Vaters - Techonology Officer
- Mohammed Balfaqih - Event Coordinator
- Mudkip - GSUGC Rep
- Mat Emshey - Rep at Large
- Hamzah Punjabi - Rep at Large
- Ripudaman Singh - Treasurer
- Gizem Ensari - International Student Rep
- Kyle March - First Year Representative
- Emily Dormody- Rep at Large

### Points to be discussed

#### Gaming

- Minecraft: More minigames, could be on the server or somewhere external. We need to find more ways to engage people to the server.
- Xonotic: Very low effort. Tentative date after 6 PM on February 2nd.
- What other games would people want to play? Chess, GMod, Rust, Jackbox.

#### Events

- Planning for a couple in person event for this semester. We can wait and see what are the official university policies for events. Some outdoor options would be skating, a walk around Long Pond.

- Possibility of badminton. Kyle has connections with the sport and could help run it.
- Mat will be running the information session with the Canadian Armed Forces. We need to provide WebEx.
- Introduction channel, would be a good a compliment to the server.
- Game Jam proposal. We could host our own small game jam. Have to iron out the details.
- Mat wants to have a podcast/videocast and the society would be a good center of interest for it.

## **Changes to Executive**

- Emily and Kyle join the executive as new members.
- Jack, Madison and Ripu have to go to the bank. They will try for the fifth time.
