Events

- Welcome event went well, we got a bunch of new society people
- Clubs and societies fair went well, got some new Discord engagement
- Next event is the TechNL event, we will follow up with Madison
- We expect to run it roughly from 15h00 to 18h00
- Gizem & Emily will help with setup for Halloween movie event
- Amélie can look into a Breezeway mixer for November

Constitutional Changes

- The constitutional changes are on GitHub, also linked in exec-general. We want to get them through quickly
- Society Volunteer won't be voting - not much expected of them, just to help out when they can

Election

- No election this fall, we will do it in February-March

Meetings

- We will try for biweekly meetings from now on
- Monthly meetings in-person preferably, so one meeting in-person, one online

Outreach

- Amélie will do outreach with a COMP1001 section for the society
